

110V Contractor Light Sales Specification Sheet

Description:

The Elite contractor light is a modern version of a traditional fluorescent predecessor. Using the latest led technology, the light will easily illuminate the work site with a constant 2640 lumens of cool daylight providing a safe and healthy environment.

The robust polycarbonate case, solid state LEDs and sturdy metal frame ensures this at home in the most arduous working environments ensuring reliability. The 2 power take off sockets conveniently located on the rear of the unit allow other lighting units or equipment to be easily connected.

Product Code: CL110LED

Specification:

- 2650lm output
- Total power 30W
- Compact and robust design
- CRI >80 and colour temperature of 6400K
- Fully CE compliant and manufactured to meet IP44.

Differentiator:

- Low heat, no hot surfaces.
- Conveniently located power take off sockets.
- Ergonomically designed carry handle.
- Integral cable management for neat storage and cable damage prevention.
- All components are manufactured from robust materials to ensure the product performs in the harshest environments.

Technical:

- Voltage – 110V 50/60Hz
- Plug – 110V 16A IEC60309
- Sockets - 110V 16A IEC60309 X2
- Weight – 4.8kg
- Dims – 300 x 280 x 960mm (WxDxH)
- Power 30W
- Lumens 2650lm
- Light distribution - 120°
- Cable – 1.5mm H05 VVF – 5M
