

### Description:

Elite is a manufacturer of high quality products that specifically built to withstand the rigors of the construction industry. Convection heaters are one of the most efficient electric heaters they are very easy to use with 3 different heat settings and adjustable thermostat. It produces a 2kW heat output on full power, which makes it ideal for heating individual rooms. These electric heaters have a safety overheat function which will cut off power to the unit in the event it overheats.

**Product Code: HN20/2**

### Specification:

- Heat Output 2Kw: 3 Heat Settings – 750W, 1250W And 2000W
- 230 Volt Unit
- Overheat Safety Cut Out
- Wall Mountable (Brackets Included)
- Fully Adjustable Thermostat
- Handles For Easy Carrying
- Dimensions: 42cm x 61cm x 13cm (H x W x D)
- Weight – 3kg
