

Lifan DAN3600A Pressure Washer Sales Specification Sheet

Description:

The Lifan cold water pressure washer is best suited for domestic hire customers and is perfect for retail. This washer delivers an impressive 3600 Psi/248 bar water pressure and a flow rate of 17.0 litres per minute. Powered by a Premium 390cc Lifan Engine and a direct drive Triplex Pump ensures reliability and performance for increased revenue.

Housed in a powder coated steel chassis complete with integral accessory storage and pneumatic tyres ensures the product is highly manoeuvrable.
